<sup>1</sup> Dark Colors require additional care to maintain the original finish.

<sup>2</sup> This color contains large, randomly distributed particles

<sup>3</sup> This color contains random veining throughout the pattern

<sup>4</sup> Metallic color's unique properties change appearance of color and brightness when viewed from angles and lighting conditions.

<sup>5</sup> Corian® DeepColor™ Technology

Blue Type indicates Private Collection

Green Type indicates Terra Collection

Helpful hints on selecting finishes:

- matte is easier to maintain than gloss
- lighter colors look better in matte
- darker colors look better in semi-gloss or gloss
