OCCHIO COLLECTION

OCCHIO COLLECTION

The Occhio Collection showcases Martin Bratrud's mastery for craftsmanship in working with wood and textiles. The exquisite detailing of the woven wood grid on the picture frame back captures the essence of the collection as well as Martin Bratrud's attention to detail.

The Occhio Collection values aesthetics as a critical component of the products functionality. The collection consists of chairs, sofas, benches, ottoman and occasional wood tables made in solid maple wood. The Occhio Collection was created through a design collaborative which was led by Lee Pasteris.
