FOLD COLLECTION

FOLD COLLECTION

The Fold Collection designed by Brian Graham consists of elegant, lightly scaled lounge seating and occasional tables. A strong geometry comprised of striking intersections of materials and form creates an elegant aesthetic. The seating options feature a tightly tailored seat and back nestled in an upholstered wood frame and resting on stainless steel legs. Tables exhibit a singular visual lightness created by tops that are elevated above the stainless steel base.

The collection also includes lounge and side chairs, sofas, bar stools and benches with multiple finish and upholstery options. Tables are available with tops in back painted glass, wood, stone, and solid surface materials. Polished or brushed stainless steel bases are standard. Bases are also available in hand rubbed black or charcoal finishes on steel with a clear lacquer sealer.
