SHAMROCK COLLECTION

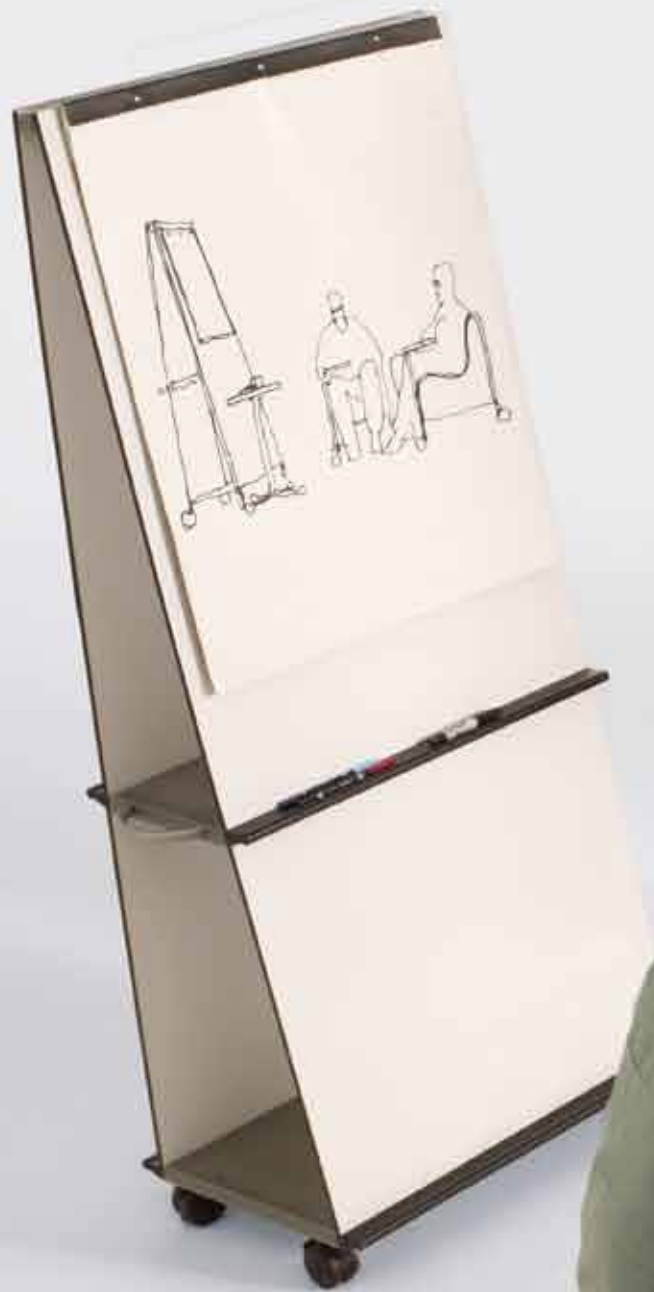

SHAMROCK COLLECTION

The Shamrock Collection, designed by Martin Bratrud Studio, projects a playful sense of animation, yet serves a serious function—acting as an antidote to the often sedentary nature of modern life and work. Incorporating the principles of “active design,” the Shamrock Rocking Chair and Swivel Chair encourage movement, while providing a firm, supportive seat as you work, talk or relax.

Ideal for casual collaborative spaces in the office, as well as learning environments and public settings, the Shamrock Collection can be upholstered to create a sophisticated look or one of lively, colorful contrast.
