ONE COLLECTION

ONE COLLECTION

The Martin Bratrud One Collection was designed by Collin Burry and Terry Walker. An elegant mix of exquisite precision and comfort, the One Collection offers lounge chairs, benches and tables that combine in multiple ways to create highly functional lounge and reception areas.

Upholstered pieces in the One Collection rest on a sleek platform that gives the furniture its distinctive light, floating presence. The platform is available in brushed and polished chrome or wood; the base in polished or brushed chrome. Coordinating occasional tables offer tops in a range of beautiful materials including glass, wood veneer, Carrera marble and black granite.
