DESIGNED BY ZACH MANUEL

Soft and substantial, Codigo stools make a perfect seat for cafes, bars, work, or anywhere a longer sit might be needed. A pull-stitch detail adds a graphic element to seat backs (or the seats themselves if specified as backless). Sturdy cylindrical wood legs in solid ash or solid walnut and a tubular metal foot rest provide an opportunity to explore a wide range of color expressions. Available in bar and counter heights, and as a backless dining height stool.
