DESIGNED BY CHRIS ADAMICK

Like the fluent dance rhythms of the same name, Cumbia tables and stools are designed to inspire a dynamic use of space. Occasional tables can be grouped and nested for a variety of sculptural expressions. Move them around, pair with a tuxedo sofa or pull up next to a desk. Cumbia stools translate the tables' monolithic form into a comfortable scooped seat poised on a light sled base. With visual and physical lightness, Cumbia stools free you to arrange and rearrange a space as you choreograph activity throughout the day.
