DESIGNED BY CHRIS ADAMICK

Like the fluent dance rhythms of the same name, Cumbia tables and stools are designed to inspire a dynamic use of space. There's no single way to apply these versatile pieces: as a single side table, grouped as a multi-level coffee table, or as an extra seat. Move Cumbia tables around, pair with a tuxedo sofa or pull up next to a desk. Cumbia frees you to arrange and rearrange a space as you choreograph activity throughout the day.
