DESIGNED BY MARTIN BRATTRUD STUDIO

With sweeping curves and generous proportions, Del Amo brings a distinctly lounge aesthetic to dining-height seating. While most banquettes are designed as an extruded profile with a cleaved ending, Del Amo features intersecting forms and a cantilevered seat, providing a uniquely sculptural ending to sofas and banquettes. Optionally, a wrapping half-arm can be selected as the seat end. Del Amo is available in single-sided and back-to-back seating, as well as island configurations. The plinth base accommodates a variety of power configurations and can be upholstered or specified in a range of ash and walnut veneers.
