DESIGNED BY STUDIO GORM

An efficient and timeless silhouette gets a modern mastering. Heceta stools meld faceted and smoothed forms to prove once again that the details make the design. Made of solid Ash or solid Walnut, Heceta's sculpted seat conceals a swivel that automatically returns to center. Opt for a natural cork seat for added softness and warm material mix. A tubular steel foot ring offers an opportunity for a dash of color. Available in bar, counter, and dining heights.
