## Pricelist

Effective 06/01/2022

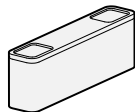

---

DESIGNED BY BRIAN GRAHAM

Designer Brian Graham conceived of the Jetty table as a way to consolidate multiple pieces into a unified form that supplies maximum functionality in a small footprint. Jetty can be used as a personal side table, a shared table or an island fitted with built-in electrics that keep users connected and charged. Jetty's singular form is available in sixteen solid surface colors.
