DESIGNED BY MARTIN BRATTRUD STUDIO

Rounded over edges and radiused details soften the robust form of La Duna. Bases feature the same playful leg geometry whether specified in wood or metal. Optional privacy screens of natural caning gently diffuse light and obscure the view. To explore even more color and pattern possibilities, swap the caning for perforated metal and select from multiple patterns and a wide range of powder coat colors. Optional sewn channeling adds texture and depth to seats or backs or both.
