DESIGNED BY MARTIN BRATTRUD STUDIO

Its name meaning "sea view", Miramar's striking horizontality is achieved through stacked upholstered channels that encourage creative textile combinations. Functioning equally as an open plan space-defining seating system and as a fully customizable banquette, Miramar seating includes solid surface planters, power integration, and privacy panels. Available built-to-floor, or with a sculptural cast metal base, which is available in an updated array of matte powder coat colors.
