DESIGNED BY STEVE CHASE

Originally released in 1986 and now reissued, Monterey was the marquee product of the Steve Chase Collection, designed by acclaimed Interior Designer, Steve Chase. The voluptuous channeled form is immediately iconic. Specify with optional LED illuminated plinth base for a period correct statement that is as evocative today as it was 35 years ago. With this reissue, Martin Bratrud is honored to contribute all designer royalties to The Living Desert Zoo and Gardens near Palm Springs, an organization that Steve Chase championed.
