Pricelist

Effective 07/30/2026

DESIGNED BY ALYSSA COLETTI

A celebration of its exposed steel frame, glass-topped Ojai tables bring playfulness to architectural form. Crisp metalwork neatly traces the glass top while a material transition at the foot makes for a soft landing. Feet can be specified in powder coat, brushed aluminum, or solid wood. Available in 6 sizes of rectangular and round shapes. Clear, smoked and bronze glass are standard, with a selection of specialty glass also available.
