DESIGNED BY BRAD ASCALON

Drawing on our 80 years of upholstery expertise and designed by Brad Ascalon, Redondo marries soft, organic shapes with the meticulous upholstery technique that has built the Martin Brattrud brand. A distinctive face panel at the end of the arms provides punctuation, and is traced with a cord welt that outlines the form. Lounge chairs feature an automatic return-to-center swivel. Available as a sofa, settee, and lounge chair, Redondo makes a statement of sculpture and craft in any lounge application.
