DESIGNED BY BRIAN GRAHAM

With crisp lines to neatly define open plan spaces, Reveal offers an architectural approach to lounge seating and banquettes. Newly refreshed for 2024, Reveal's namesake gap reveal between seat and back has been extended across the range. Clear access to surfaces between seats and backs creates a visually distinctive pattern while also making Reveal an optimal choice for healthcare settings. Lounge seating is available in three back heights to accommodate different levels of privacy. Dining-height banquettes are available in two back heights. Two pull up table shapes and a pedestal coffee table complete the range.
