DESIGNED BY CHRIS ADAMICK

Designed as a collage of independent moments creating a greater whole, Toluca offers a fresh harmonization of upholstery, wood and metal. With a softened form but an alert posture, Toluca imparts a new sense of comfort and warmth to the contract environment.

A sculpted solid Ash or Walnut shoulder rest demonstrates just how soft hardwoods can be. The upholstered surround with welt detail provides your canvas to interpret Toluca in any way you choose. The base is available in solid Ash, Walnut—or choose the steel base variant for a material trifecta, well-suited to the most demanding commercial applications.
